# OUR HEART FOR THE HOUSE

We started Fusion 16 years ago from humble beginnings, and the beautiful Fusion family is now a testimony of God's kindness and the incredible faithfulness of those who call it home.

This year our theme as a church is, in the words of Jesus **"FOLLOW ME"**. In Matthew 4:19 Jesus said to two brothers, Simon and Andrew, **"Come FOLLOW ME, and I will send you out to fish for people."**

The goal of our faith is to become more like Jesus, learn, and help others live a new way of life with God. It is a way of life that transforms us from the inside out and gives us a new purpose for living.

It is a call to live as Jesus lived, to love as Jesus loved, and to impact the world as Jesus calls us to. Our annual Heart for the House campaign has that at its heart. Your generosity and faith response over the

years has helped us to realise that in many incredible ways. We want to commend and thank you for your collective partnership as we continue to seek to glorify Jesus and impact lives for Him.

This year our clear focus is all about making room for what God wants to do, and the people He wants us to reach for Him. It is a year of expansion, and it requires a collective faith response from us all to see that realised. It is not how much or little we have that matters, but how large our faith is in our Mighty God.

Join us as we believe and prepare for an increase. We believe that there is an amazing God miracle that is about to unfold.

Love,

# THE PURPOSE

Fusion is God's house and our home. Heart for the House is a special once-a-year offering, over and above our normal tithes and giving, where we sow into the legacy and future that God has for us as a church. It is our means of paving a way for the future, and where we activate our faith, and seed tomorrow today. It has God at its heart, and people as its focus. Heart for the House has three main focus areas, which are outlined on the next page.

# OUR LEGACY

On Vision Sunday in February, Ps Matt spoke about how God had laid on our teams' heart to expand our meeting spaces to make room for the growth we have been seeing. He said that this year we would be actively exploring how to do that.

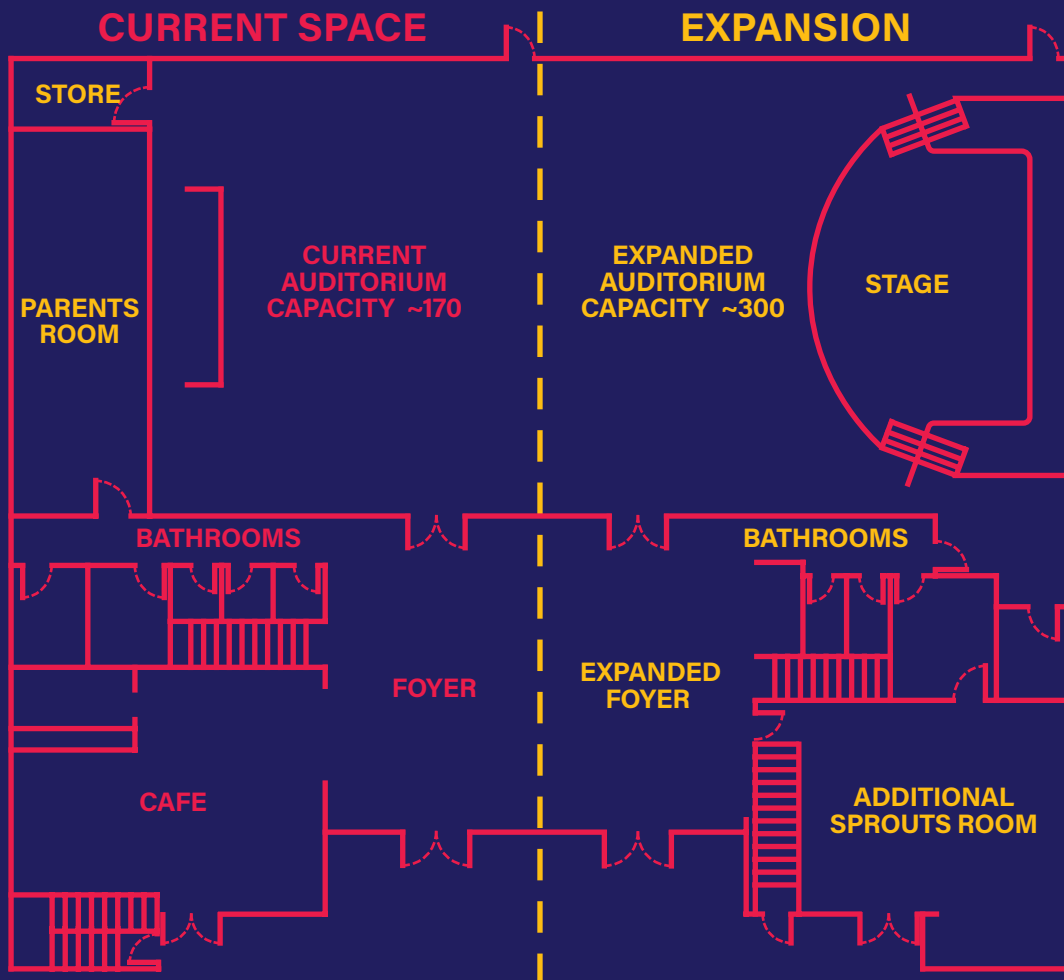

In the Message version of Isaiah 54:2-3, God said a similar thing to the then-nomadic nation of Israel "Clear lots of ground for your tents! Make your tents large. Spread out! Think big! Use plenty of rope, and drive the tent pegs deep. You're going to need lots of elbow room for your growing family."

The family is indeed growing and to make room for more people we are excited to announce that we have secured a lease for the unit next door to the Hub. This will effectively double our auditorium capacity and other meeting space areas. It will also allow us to have a dedicated parent feeding room, increase our foyer area, give us more bathrooms and storage areas, and provide a much-needed additional space for our Sprouts ministry.

We hope to take possession October 2024. We have been advised it will take around 3 months for the fit-out to be completed.

The major part of this year's Heart for the House will be focused on this expansion.

# OUR COM- MUNITY

Our Community Care ministry is where we seek to be the hand and touch of Jesus to a world in need. We want to bring help and hope however we can.

To this end, we will look to continue to resource our community care pack initiative, fund our amazing Community staff, and sow into our annual Serve Day event. We also will be resourcing the new Mainly Music outreach program for parents and their toddlers that is starting this year.

We will also continue to support a new church plant, Waypoint Church in Indonesia, led by Ps Leighton and Grace Gallagher. As well as, looking to get behind the start of a Fusion student outreach service at ANU, focusing on those in university residences.

# OUR HOME

The expansion of the Hub will include construction and building project costs, as well as additional equipment purchases. This will include:

- » Additional chairs for the auditorium,
- » New front-of-house speakers and subwoofers,
- » Updated lighting and cabling,
- » New projection hardware and software,
- » Sprouts and parenting room furnishings and equipment,
- » A portable coffee machine set up for the foyer,
- » Additional heating/cooling units for the various new spaces.
